

DONALD KRIEGER

For Malabar Town Council District 5

HONESTY • INTEGRITY • CONSISTENCY

**Hello,
I'm Don Krieger**

**I'm running for Malabar's Town Council District 5 and
would be honored if you would allow me to represent you
and here's a few reasons why:**

- Consistently fight to maintain our independent rural character, residential liberties, and lifestyle of Malabar.
- Opposes tax increases, outside non-funded mandates, and promotes and has defended Malabar sovereignty as well as reject needless duplications of effort.

Elect • Elect • Elect

- Works for clean, honest, and open government.
- Has employed better communication methods to inform residents of Council actions.
- Watchdog any changes to our comprehensive land use plan that could negatively affect you.
- Continued roads and drainage enhancement and maintenance. Maintain effective fire, rescue, and safety standards.
- When elected I will continue my 'Back to Basics' set of criteria so our Town continues to live within its means. Responsible elected officials should employ prudent spending practices and not burden residents and businesses by raising unnecessary costs and red tape. The use of better communication methods to inform residents of the issues is prime to keeping

Malabar the rural environment most of us moved here to enjoy.

Past members of Council had over 17 years to make positive achievements for our Town. Recently I have had two years on Council and have presented several positive initiatives, saved money, and submitted balanced budgets that did not require increased taxes. I have worked toward restoring sovereignty for Malabar that previous Councils gave away.

MY RULES OF THE ROAD:

Promote and defend local sovereignty

Oppose tax increases

Advocate government efficiency and monitor all expenditures

Oppose non-funded mandates

Promote transparency throughout our Town

Demonstrate efficiency and financial aptitude in all budget presentations to staff and Council
